

Smash

Goo Goo Dolls

Hey, what are you thinkin'?
I tried to reach your face
Say, see what you're thinkin'
Don't carry around that pain Every time I see you picking at yourself
I love, I love when things worked out Smash
I heard you cryin' seven times this year
Crash
'Cause now you're smilin' holding back those tears Every time I see you picking at yourself
I love, I love when things worked out
An' every time I see you torturing yourself
I love, I love when things worked out An' I see it from another place right now
I'm comin' home before I hit the ground
Run fast there, I wanna be gone now Smash can I feel it
Smash can I feel it
Smash can I feel it
Right now
