

# What Does Your Soul Look Like, Pt. 4

## DJ Shadow

Come talk to me  
Come on triggy man  
Come on, the camera's rolling  
Get that fucking bad thing  
Lose that  
Talk to me  
Who are you? Come on chopper male, chopper male sucker!  
Got the gusto?, Come on!  
In Vietnam! And  
And yet, I've just got to do something  
Because, I I see I'm god, or something  
God I am superior to that  
Everyone is dead, or should I call in for the central right now?  
And stand naked, with a hurt expression  
Until it burns me up! S.O.S  
S.O.S Away, come away, come away S
