

Get Down

Revolting Cocks

Three jabs punches the man
Three jabs punches the man
 Haunted head
 Fucked up

Are you in denial again
Illusions?rotating around?I wonder if I am walking around?
 I sleep in the morning
 I get up and sleep?

I'm wanting to die
I'm wanting to live
 Haunted head
 Fucked up

Are you in denial again
 Haunted head
 Fucked up
Are you in denial again

 Haunted again
 Denies
Spastic convulsions tripping on anything
Spastic convulsions tripping on anything

 I'm ???
 I'm???
I'm ??? sleeping and rotting away
 I don't my name

I don't know where I came
 Thrown aside
 Thrown aside
 ??? spill

 Haunted haunted
We just wanted to get down
 To get down
 Haunted undead

I'm tripping
And I hate life again
Haunted again
And back is straight is straight is straight so vibrate

Fucked up I'm tripping again
Haunted I'm inbred
With a substance that kills
And more and more goes round (me)

Your ?
haunted haunted ???
haunted haunted [no turning now?]
haunted

haunted haunted haunted we trip
Wanting and wanting and wallowing in it all Haunted
haunted
I know ??? on your knees please

Please get on your knees and give me head
?Groovy?
We just wanted to get down
To get down
Get down
