

Young Nigga

Gucci Mane Feat. Waka Flocka Flame

Y'all ready to do this shit? Bust
When I was young, I had the lust to pull the trigger
And make change out a five dollar ass, nigga
And as time went on, I gained much love
But seein' niggas', guts bust at a nightclub
Too young to get my ass in but they didn't trip
'Cause if I didn't get in, they knew I'd start shit
So I was treated like the muthafuckin' Pope
Security see me, so they scope
And follow me around like a flock of hoes
I had a squab with a bitch with a big ass nose
I started to knock the bitch out but before I could
I'm stopped short by a redneck peckerwood
But he was slow, with the other hand slapped the hoe
Then security rushed us out the backdo'
So when I grabbed the nine, they thought I'd go nuts
I'd roll by and bust caps at the grownup's
Young nigga, got bold and got the liquor
As a young, yeah
He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
Well, what do you know, it's summer time
And every young nigga my age, is on the grind
Workin' for the city
A drugstore on every goddamn corner and niggas actin' shitty
About who sell, where and whose dope is it
So, some niggas around the block, they paid us a visit
But we ain't comin' off shit but a drive by
I guess they wanna expand to go city wide
So we hung muthafuckas by the barbed wire
Whoever was a snitch or bitch or liar
And five O is gettin' kinda dense
'Cause the wire was missin' from a county jail fence
Breakin' off boulders
And the niggas from around the block, they said they told us
Not to short stop, so my nigga got popped
I looked down and I'm shocked
To see him layin' dead by the bushes
As a young nigga
He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you
He said, "Young ass, nigga"
You dumb nigga, you
Shit is gettin' hectic, my mission had to flow smooth
