

My Man, A Sweet Man

Millie Jackson

My man is a sweet man.
My man is a kind man.
I know he's a fine man
And he's mine all mine. Whenever I need him, he's always around.
(Doo) I don't have to go searching all over town.
(Doo, doo, ooh) He treats me nice and he loves me every day.
I'll tell the world that I'm proud to say My man is a sweet man. (My man is a sweet man.)
My man is a kind man. (My man is a kind man.)
I know he's a fine man
And he's mine all mine. (Mine, mine) He's home at night. I fix his food.
(Doo) He's worked all day. He's in a tiring mood.
(Doo, doo, ooh) I cuddle him up. I give him a kiss or two.
I'm willing and able for whatever he wants to do because My man is a sweet man. (My man is a sweet man.)
My man is a kind man. (My man is a kind man.)
I know he's a fine man
And he's mine all mine. (Mine, mine)
My man is a sweet man. (My man is a sweet man.)
My man is a kind man.
Mine, mine. His heart is made of gold.
His words are heavenly.
(Doo) I feel like an angel every time he catches me.
(Doo, doo, ooh) To give him up, no, that would never work.
And if you girls fool around, somebody's gonna get hurt because My man is a sweet man. (My man is a sweet man.)
My man is a kind man. (My man is a kind man.)
I know he's a fine man
And he's mine all mine. (Mine, mine) Yes he is now.
My man is a sweet man. (My man is a sweet man.)
My man is a kind man. (My man is a kind man.)
I know he's a fine man
And he's mine all mine. (Mine, mine) Yes he is, girl.
My man is a sweet man.
