

Beauty Is So Ugly On the Inside

Scream Out Loud

This is the last time that my heart
Will be ripped from my chest
I'm throwing my towel in
Well I can see absolutely through you
Your beauty isn't fooling anyone

Enough is enough
Why do I even try
Running in circles time after time
Enough is enough
Why do I even try

No matter what i do
I'll never be good enough you
This is the last time that my heart
Will be ripped from my chest
I'm throwing my towel in
Well I can see absolutely through you
Your beauty isn't fooling anyone

Filled with frustration
My only thought is to
Plant this fist into the wall

Enough is enough
Why do I even try
Running in circles time after time
Enough is enough
Why do I even try
