

My Heart Goes Boom (Ladidada)

French Affair

La di da da la la la la la
La di da da la la la la la
La di da da la la la la la
La di da da la la la la laLa di da da la la la la la
La di da da la la la la la
La di da da la la la la la
La di da da la la la la laI'm walking down the street and my heart goes boom
In a minute we will meet, and my heart goes boom
When we are together, I would love forever
I'm walking down the street and my heart goes boom, boom, boom
And my heart goes boomBaby be my lover, I don't want no other
What I really, really, really want is you
I don't need no education to be conversation for the things I want to do
Baby be my lover, I don't want no other
What I really, really, really want its true
I can't wait to see you, wrap my arms around you
Show you what I really wannna doLa di da da la la la la la
La di da da la la la la la
La di da da la la la la la
La di da da la la la la laJusqu'À; presÀ©nt
Je n'ai pas senti la force de ton amour
Si tu veux tout savoir
Je sais bien qu'un jour
Nous nous reverrons
Et À§a pour toujours
Oh mon amour
Laisse-moi te toucher
Caresser ta peau, À§a me fait rÀ;Àªver
Danse sur les rimes
Qui me font vibrer
Je t'aime pour toujours
Et À§a tu le saisYou're kisses are so sweet and my heart goes boom
You're the only one I need and my heart goes boom
The world keeps turning, my heart keeps burning
I'm walking down the street and my heart goes boom, boom, boom
And my heart goes boomBaby be my lover, I don't want no other
What I really, really, really want its true
I can't wait to see you, wrap my arms around you
Show you what I really

Wannna do, wannna do, wannna do, wannna do
Wannna do, wannna do, wannna do, wannna doLa di da da la la la la la
La di da da la la la la la la
La di da da la la la la la la
La di da da la la la la la la
