

A Doe and Two Fawns

[Juliana Hatfield](#)

I stand at the window looking out
Waiting for something, I dont know what
They dont see me so theyre not scared
But they tread lightly everywhereHere comes the darkness
It comes down fast
Run to the ocean
Leave tracks in the sandSunsets pink and orange and lavender and gray
Theres a bird on a branch at the top of the tree
We wanted the world to give us a chance
Now were pushed out to the edgesIf we stand still blinded by the lights
Is it murder or suicide?Here comes the darkness
It comes down fast
Run to the ocean
Over the sandHere comes the darkness
It comes down fast
Run to the ocean
Leave tracks in the sand
