Used to sell 'em to the fiends now I got 'em in my watch
Two years off the scene heard enough of ya fuckin' trash
We returned now to make you suffer like succotash Run up and the pump'll blast my niggaz is dopin'
I'm the film in the camera nigga picture me rollin'
Picture me blowin' trees chiefin' purple daily
Weeds no seeds call it Virgin Mary Chevy they say we broke up
(Oh, yeah)
But we do shows and split ends like blow dried hair
Hold up Joe stop the song
(What)
Field Mob the answer to the question
What if Big and Pac woulda got along? Put us on whoever song fast slow no facade
Getcha Bible check the credits Shawn go slow for God

1, 2, 3 points I gotta get across
1 don't 2 make me 3 go off I swear to God you never heard me spit it this way I'm warnin' ya
I'm finna snap like turtle lips in a lake
Wrap more than a Egyptian coroner ya rhymes are borin' us
Listenin' to you is like watchin' wet paint dry Ya lyrics I bet they taste sweet
Stop spittin' them Kit-Kat candy bars and give me a break please

Start writin' ya rhymes yaself as a matter of fact
Here's a mirror and a map go and find yaself 'Cause you been fake you frontin' like you did time in the state pen
But really was a nerd at Penn State
Cut the bullshit ya not a hustler
Y'all remind me of where I rent my DVDs at y'all some blockbusters Confessin' like Usher soft as baby food
Fixin to get us off the block like star 82
Mad 'cause I'm comin' up and you ain't and I'm buyin' stuff that you can't
I ain't 50 Cent but I got bucks in the bank And I got a million dollar dick bitch wood worth a lot of cash
If I fuck her in the butt she have money out her ass
Claimin' you pimpin' but ain't got one bitch
The only hoes is the one you water ya lawn wit To you hoes that fuck for fun and the ones that fuck for fetti
If you ain't finna fuck Shawn then you ain't finna fuck Chevy
To The Source like a groupie in love with Jordan Jackson
