Unbreakable

Michael Mind Project

Don't treat me like I'm broken
All these words unspoken
I don't wanna fade away
I'm holding on to yesterday
The wound is still open
The pain from you keeps poking
I'll be tryina find a way
To get this smile back on my faceWhen tears come crashing down
Emotions are flooding, my words won't come out
Feels like I'm dying
If I can't save myself
Then who's gonna save me
I won't cry for helpI'll be unbreakable, oh yeah
I'll be unbreakable, oh
I'll be unbreakableMy heart's cold
No matter, if I fall
Won't shatter
Thought you got the best of me
But I'm not easy to defeat
I'm done with, the lies and
All your broken promises
Always telling me to fight
But I don't need you to surviveWhen tears come crashing down
Emotions are flooding, my words won't come out
Feels like I'm dying
If I can't save myself
Then who's gonna save me
I won't cry for helpI'll be unbreakable, oh yeah
I'll be unbreakable, oh
I'll be unbreakable
I'll be unbreakable, oh yeah
I'll be unbreakable, oh
I'll be unbreakable.
