

Cheater

School Gyrls

Incredible

School Gyrls

Let's go, go

Cheater, cheater, you're a, you're a cheater, you're a cheater (x3)

Cheater, cheater, you're a, you're a, you're a, you're a cheater

You thought that I would just be another one of your toys

You thought I wouldn't find out, but you went and told your boys

Your boys told my girls, and my girls they put me up on game

See the plan that you had ended up being super lame

So you called me last night acting like you were extra sorry

Then you pass me a letter today as soon as you saw me

Saying 'Baby, I know that I did you wrong'

But I promise I'm done, I'm done

But its not that I don't wanna believe you because I do

But every time I try to you give me a reason not to

This is gonna be the easiest song that i have ever sung

All my girls sing along

It goes like

[Chorus]

Ooh, you won't get another love song, you're a cheater

After everything that you've done wrong, you're a cheater

No you won't get another word out of me

You're a che-ch-ch-ch-ch-ch-cheater

Cheater, cheater, you're a, you're a cheater, you're a cheater (x2)

[Verse 2]

I bet you thought that I wouldn't bounce back, but I did

Not stronger than I was before you ever cheated

Why would I yell, why would I waste a minute on you

When I look this cute (look this cute)

Still I can't check my voicemails without hearing your voice

And you send me messages through every one of your boys

I think you're obsessed with me

This is ridiculous, please

I don't need you in my world

I'm fine chillin' with my girls

And its not that I don't wanna believe you because I do

But every time I try to you give me a reason not to

So incredible, play the song we just knew that it would be the one

All my girls sing along

It goes like

[Chorus]

Ooh, you won't get another love song, you're a cheater

After everything that you've done wrong, you're a cheater

No you won't get another word out of me

You're a che-ch-ch-ch-ch-ch-cheater

Cheater, cheater, you're a, you're a cheater, you're a cheater (x2)

[Verse 3]

This could have been another love for you

But you went and messed it up, so now we're through

So I'm startin' over, just like I told ya

I'm gonna be fine now that everyone knows, you're a cheater

[Chorus]

Yeah, ooh, you won't get another love song, you're a cheater

After everything that you've done wrong, you're a cheater

No you won't get another word out of me

You're a che-ch-ch-ch-ch-ch-cheater

Cheater, cheater, you're a, you're a cheater, you're a cheater (x2)
