

Shotgun

The Kid Daytona

Shorty ride shotgun
Shot back I got one
Shorty ride shotgun
Shot back I got one
Ain't no motherfucker
Gonna tell me I ain't Hustler
Ain't no motherfucker
Gonna tell the shit I saw I'll be knowing
I'll be knowing
I'll be knowing
Got the suck-e flowing
Blue ribbon no designer
How I end yup on with you
Feel nice, feeling like I'm on the moon
Jesus cries like I might go ride
Shorty she might be right for me
But I just bat her up and catch my name up for it
You know where them models in
You know where celebrity's in
Bitch you gonna find me
Yeah you name it cause never will be Shorty ride shotgun
Shot back I got one
Shorty ride shotgun
Shot back I got one
Ain't no motherfucker
Gonna tell me I ain't Hustler
Ain't no motherfucker
Gonna tell the shit I saw
My word I'll never repeat
That shit's solid
Same hoes is whatever to me
You're thinking about her
Probably thinking I'm baler
Same time you thinking I'm dollar
Here's out look across the table
My heart sink to the bottom
Cause I know she a rider
It's just something about her
Got those... and eyes

I need to get up inside her
Lips is really real when there's nothing for...
Let me chase 22 yeah no shit babeShorty ride shotgun
Shot back I got one
Shorty ride shotgun
Shot back I got one
Ain't no motherfucker
Gonna tell me I ain't hustler
Ain't no motherfucker
Gonna tell the shit I sawI'll be knowing
I'll be knowing
I'll be knowing
Shorty owe me down
She stepping where I'm knowing
West side highway
Curls blowing in the air
West side highwayHere we go again
Here we, here we go again
Know we know we end it's where the story begins
Don't need you to be friends
Always knew we would be lovers
And people you don't blame
You would be the perfect dollarI know upfront
And I'll be playing too much
You what I want
Feel like my feeling's caught up
And I ain't saying too much
With no words
Just ...I feel that air
Ain't no reason, just begunShorty ride shotgun
Shot back I got one
Shorty ride shotgun
Shot back I got one
Ain't no motherfucker
Gonna tell me I ain't hustler
Ain't no motherfucker
Gonna tell the shit I sawShorty ride shotgun
Shot back I got one
Shorty ride shotgun
Shot back I got one
Ain't no motherfucker
Gonna tell me I ain't hustler
Ain't no motherfucker
Gonna tell the shit I sawI'll be knowing
I'll be knowing

I'll be knowing
Shorty owe me down
She stepping where I'm knowing
West side highway
We on that
West side highway
