

Ghetto Love

Jaheim

You got me baby
This here going for all the ladies, oh
All I really want is your ghetto love
24/7 we'll be makin' love I'll take it downess, if you want me too
Just one and many things I wanna do to you
Girl, don't you get scared
I'm gonna take my time Whatever it takes that'll make you mine
It's getting late save a thing for J
Let me love you my ghetto love way, yeah
Baby, 2 weeks ago I might you at that party You was knockin' by and rockin' lookin' my way
Standin' at the crossing at the party
I was tempting to slide across the floor
(Tempting)
To drop my digits Then you looked and turned away
Like you weren't with it
But I knew in my heart that I
Could rippin' girl
I'm givin' you what you wanna do All I really want is your ghetto love
24/7 we'll be makin' love I'll take it downess, if you want me too
Just one and many things I wanna do to you
Girl, don't you get scared
