

Look at Me

Sum 41

Look at me, who am I supposed to be
And what do I believe, can you tell me?
Since you've made up your mind
Who knows what you believe And I just don't know
No, I just don't know
Who I'm supposed to be Look at me
Am I the image of your hopes and tragedies?
Just look at me
Will I ever be more than just a memory 'Cause you just don't know
No, you just don't know
All I am is me
All I am is me
All I am is me
