

# Open Your Eyes (Valerio's Mix)

## Black Box

Love is freewheeling, keeps me wakin' all night long  
But just like makin' love, becomes a part of you  
Nobody's losing when we get so satisfied  
Because of you i've got to shouting out my love  
Open your eyes, there's my love, turn it over  
Open your eyes, it's no time to be afraid  
Open your eyes, till the dawn's up and over  
Open your eyes, there's you bed and it's made  
Gimme that feeling and we'll rock it on out strong  
But when you're makin' just like i do to you  
The night is growing and i think we're gonna fly  
It's just for you that i'll be shouting out my love
