I Fly

Hayden Panettiere

La La La La, La La La La
La La La La La La
La La La La, La La La La La
Verse 1:
Six AM
Radio Playin'
Stumble out of bed
Runnin' out the door
A brand new day
Never thought I'd have this feeling
Never thought I'd get this far
But I'm okay
[Chorus]
And I fly
I reach out my hands and touch the sky
That's right in front of me
And I try
Just let go, relax, enjoy the ride
And I feel free
When I fly
When I fly
Verse 2:
Thinkin' back
When there were days
I could barely make it out the door
So much doubt
Changed my mind
Change my ways

Wasn't gonna do this anymore
I turned around
[Chorus]Like a butterfly
Who lost his soul
I choose not to hide
Anymore
Fly
Oh oh oh
Fly
And I fly

I close my eyes and kiss the sky
That's right in front of me
And I try
Just let back, relax, enjoy the ride
And I feel free
And I fly
I reach out my hands and touch the sky
That's right in front of me
And I try
Just let go, relax, enjoy the ride
And I feel free
When I fly (5x)
La La La La, La La La La
La La La La La La
La La La La, La La La La
