

I Fly

Hayden Panettiere

La La La La, La La La La
La La La La La La
La La La La, La La La La La

Verse 1:

Six AM

Radio Playin'

Stumble out of bed

Runnin' out the door

A brand new day

Never thought I'd have this feeling

Never thought I'd get this far

But I'm okay

[Chorus]

And I fly

I reach out my hands and touch the sky

That's right in front of me

And I try

Just let go, relax, enjoy the ride

And I feel free

When I fly

When I fly

Verse 2:

Thinkin' back

When there were days

I could barely make it out the door

So much doubt

Changed my mind

Change my ways

Wasn't gonna do this anymore

I turned around

[Chorus] Like a butterfly

Who lost his soul

I choose not to hide

Anymore

Fly

Oh oh oh

Fly

And I fly

I close my eyes and kiss the sky
That's right in front of me
And I try
Just let back, relax, enjoy the ride
And I feel free
And I fly
I reach out my hands and touch the sky
That's right in front of me
And I try
Just let go, relax, enjoy the ride
And I feel free
When I fly (5x)
La La La La, La La La La
La La La La La La
La La La La, La La La La
