

# The Greatest

## Alabama Shakes

Well I never meant to be the greatest  
I only ever want to be your baby  
Life is perfect in your arms  
Don't ever let me go  
To go anywhere Should I stay, stay awake  
I know you ain't out there tryin' to be my baby  
But God help us, help us all  
Don't ever let me down  
You're always doin that Should I stay, stay awake  
I know you ain't out there tryin' to be my baby  
Life's perfect in your thoughts  
Don't ever let me go  
I can be your one and only But I never meant to be the greatest  
I know you ain't out there tryin to be my baby  
C'mon love me c'mon  
God bring his ass on home  
If you can do anything
