

# Stubborn Love (Fennec & Wolf Edit)

## The Lumineers

She'll lie and steal and cheat  
And beg you from her knees  
Make you think she means it this time  
She'll tear a hole in you, the one you can't repair  
But I still love her, I don't really care When we were young  
Oh oh, we did enough  
When it got cold  
Ooh ooh, we bundled up  
I can't be told  
Ah ah it can't be done It's better to feel pain, than nothing at all  
The opposite of love's indifference  
So pay attention now  
I'm standing on your porch screaming out  
And I won't leave until you come downstairs So keep your head up, keep your love  
Keep your head up, my love  
Keep your head up, my love  
Keep your head up, keep your love And I don't blame ya dear  
For running like you did, all these years  
I would do the same, your best believe  
And the highway signs say we're close  
But I don't read those things anymore  
I never trusted my own eyes When we were young  
Oh oh, we did enough  
When it got cold,  
Ooh ooh we bundled up  
I can't be told,  
Ah ah, can't be done Keep your head up, keep your love  
Keep your head up, my love  
Keep your head up, my love  
Keep your head up, keep your love Head up, love  
Head up, love Head up, love  
Head up, love
