Advisory - the following lyrics contain explicit language:

High ho, triple salchow
I got a feeling like a tidal flow
But I know what I am
They know what they are
So let me beGasoline, suck her in
I got no reason for the state I'm in
But I know what I am
They know what they are
So let me beHotel, Taco Bell
I got the hit that you know damn well
But I know what I am
They know what they are
So let me beCut teeth, better believe
I got the feeling that I'm underneath
But I know what I am
They know what they are
So let me beBut it's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
I got the time but the time don't payIt's alright, it's okay
I got the time but the time don't pay
It's alright, it's okayFlick flack, no stack
I got the wit that my enemies lack
But I know what I am
They know what they are
So let me beTrick some, just begun
Giving you more when you only want one
'Cause I know what I am
They know what they are
So let me beHot, sweat, got debt
keep your liquor in the locker 'cause you don't know yet
But I know what I am
