Britney Spears

911
Ah ah ah
Ah ah ah
911
Do you taste it do you feel what i feel
I feel it coming and is also near
You got me breathin like an animal
All beside is ..until you?re here
Pre Chorus:
Every little time you touch my ..i wanna cry
Every little touch you take me deeper in my mind
Every little thing you do i swear i?m on the ride
You got me hypnotized, you got me hypnotized
Chorus:
911 i?ll call you when i?m feeling ..
911, baby boy come get right on me
911 put this fire out i?m burning
Up up up, 911.
Do you know just what you do to me
All i need and know it?s criminal

Close my eyes and you?re undressing me
Pre Chorus:
Every little time you touch my ..i wanna cry
Every little touch you take me deeper in my mind
Every little thing you do i swear i?m on the ride
You got me hypnotized, you got me hypnotized
Chorus:
911 i?ll call you when i?m feeling ..
911, baby boy come get right on me
911 put this fire out i?m burning
Up up up, 911.
Six in .. when you felt so automatic
Felt exposed when you had it
When you all over me
Boy i made a .. when i squeezed you made a touch
Sort of ..just come down for the freak in it
Ah ah ah 911
ah ah ah 911
