

Same Thing In Reverse (Evolution Mix)

Boy George

Stone by the river
Got no wind in my sail
No revolutions in my soul
Hey revelation's just a moment away
Soon I'm gonna be old
Soon you're gonna be old
Remember love is not something you can keep
It just takes the wind to blow it away
You look so ugly as you lie there asleep
Boy, you're pretty today
So pretty today
When I was born
They poisoned my mind
They told me to fight
But I'm not that kind
They said I was meek
But I did not mind
It's a case of the weak
Fooling the blind
I see the stars have spelt your name in the sky
I wrote it too down here on the sand
When I first met you
You stirred nothing at all
See the cards in your hand
See the cards in your hand
Oh, if I could fly
Oh, if I could fly
I'd take to the sky
I feel so special when I'm making you cry
But I regret the things I throw in your face
This drug will kill you darling
This is no lie
This dragon we chase
This dragon we chase
