

Effigy

Creedence Clearwater Revival

Last night I saw a fire burnin' on
The palace lawn o'er the land
The humble subjects watched in mixed
Emotion Who is burnin'? Who is burnin'?
Effigy
Who is burnin'? Who is burnin'?
Effigy Last night I saw the fire spreadin' to
The palace door
Silent majority weren't keepin' quiet
Anymore Who is burnin'? Who is burnin'?
Effigy
Who is burnin'? Who is burnin'?
Effigy Last night I saw the fire spreadin' to
The country side
In the mornin' few were left to watch
The ashes die Who is burnin'? Who is burnin'?
Effigy
Who is burnin'? Who is burnin'?
Effigy Why? Why? Why?
Effigy
