

# The Nazarene (Scandalon Album Version)

Michael Card

The Nazarene came down  
To live the life of every man  
And He felt the fascination of the stars  
And as He wandered through this weary world  
    He wondered and He wept  
For there were so few who'd listen to his call[Chorus]  
    He came, He saw, He surrendered all  
        So that we might be born again  
        And the fact of His humanity  
        Was there for all to see  
    For He was unlike any other man  
And yet so much like meThe Nazarene could hunger  
    And the Nazarene could cry  
    And He could laugh  
    With all the fullness of his heart  
    And those who hardly knew Him  
        And those who knew Him well  
    Could feel the contradiction from the start
