

Hit The Ground Runnin'

[Keith Urban](#)

Well, if you ever said goodbye I wouldn't waste all of my time cryin'
I wouldn't sit home alone wonderin' where I went wrong
I'd be rockin' on outta of here baby faster than a rollin' tear
Ain't no grass gonna grow under me when you're gone
No, I won't stay down for long
I'd hit the ground, I'd hit the ground runnin'
I know exactly what I'd do, honey
I'd hit the ground, I'd hit the ground runnin'
I'd hit the ground runnin' after you, yeah
Gonna stop in long enough for a couple of things I gotta pick up
Like some pretty red flowers and a store bought card
That say what I really feel, that I'll need you and I always will
And the three little words that used to come hard
Then I'd jump in back in my car
Then I'd hit the ground, I'd hit the ground runnin'
I know exactly what I'd do, honey
I'd hit the ground, I'd hit the ground runnin'
I'd hit the ground runnin' after you, yeah
There ain't no doubt, I ain't that proud
There ain't no doubt about what I'd do
I'd hit the ground, hit the ground
I'd hit the ground runnin' after you, yes I would
So if you gotta go baby I won't stop you
And I won't sit around and miss you, no, no, no
'Cause if you leave I'm comin' with you, yeah
Comin' with you baby
I'd hit the ground, I'd hit the ground runnin'
I know exactly what I'd do, sugar
I'd hit the ground, I'd hit the ground runnin'
I'd hit the ground runnin' after you
There ain't no doubt, I ain't that proud
There ain't no doubt about what I'd do
I'd hit the ground, I'd hit the ground
I'd hit the ground runnin' after you
