

Frozen In Time

Bread of Stone

As the sun waits on night
Barren trees stand in the cold
Waiting for time
Waiting for time

Starving children breathe the dust
Many more will soon be lost
Waiting for time
Waiting for time

CHORUS:

So what are we waiting for?
Can we see the tears that fall down?
Are we frozen in time?

A mother tries to fall asleep
Wonders why her baby's weak
She's begging for time
Begging for time

As she's staring at the clock
Wish the second-hand would stop
She's begging for time
Begging for time
