

If Walls Could Talk

[Ry Cooder](#)

Well, if things could talk then I'm sure you'd hear
A lot of things to make you cry, my dearAin't you glad?
Oh, ain't you glad?
Ain't you glad, glad that things don't talk?Now, if shoes could tell where they've been
When you say you've been visiting a friendAin't you glad?
Hey hey hey, ain't you glad?
But ain't you glad, glad that shoes don't talk?Now, if doors could tell who's turned the knob
When he's away out on his job
If cars could tell who's been inside
And who's been taking you out for a rideAin't you glad?
Mmm, ain't you glad?
But ain't you glad, glad that cars don't talk?In a world of trouble I'd be
If things ever told on me
My whole life would be through
'Cause I'm guilty, how about you?
If things ever talk that way
Ain't no telling what they might sayAin't you glad?
Ain't you glad?
Ain't you glad?
Oh, ain't you glad?
But ain't you glad that things don't talk?Ain't you glad?
Ain't you glad?
Ain't you glad?
Ain't you glad?Ain't you glad?
Ain't you glad?
But ain't you glad, glad that things don't talk?
