

My My My

Johnny Gill

Yeah

So good

My, my, my, my

You look so sweet

Listen

Put on your red dress and slip on your high heels

And some of that sweet perfume, it sure smells good on you

Slide on your lipstick, and let all your hair down

Cause baby, when you get through Im gonna show off you

Tonight will be a special night

No matter where we go

And Im so proud to be with you

I just want to let you know

You got my sayin my, my, my, my, my, my

You sure look good tonight

And youre so damn fine

I wanna say my, my, my, my, my, my (Uh-huh)

You sure look good tonight (Tonight, after all this time)

Slip on your nightgown, step in our bedroom

First I wanna take some time, I just wanna look at you

Girl, you are so fine, I cant believe my eyes

And all that I wanna do, I wanna make love to you, oh

Tonight will be a special night

Of many more to come

And Im so proud to be with you

So proud to share your love

My, my, my, my, my, my

You sure look good tonight

I wanna say my, my, my, my, my, my, my, my, my, my, my, my

Make love all night long, make love till the break of dawn

Come on, come on Sweet little thing, yes, you do

Yes, you do, do

Yes, you do, yes, you do, do, do, do, do

Yes, you do, do

Yes, you do, yes, you do

And Im so proud to be with you

So proud to share youre love

You got my singin my, my, my, my, my, my

You sure look good tonight

I wanna love you, I want to love you in every, every way
Let me, let me show you how sweet its gonna be
I wanna show you things that you never
You never, ever, ever seen before
Put your nightgown on
Let your hair hang low
Step into our room
Im in the mood to love you all night long
You got me sayin my, my, my, my, my, my, my
My, my, my, my, my, my, my
My, my, my, my, my, my, m-m-m-my, my, my, my, my
My, my, my, my, my, my
See, all you got to do, all you gotta do
Is say that youll be mine, all mine, all mine, all mine, all mine
Youll be all mine tonight, baby
Let me, let me show you how sweet its gonna, whoa
My, my, my, my, my, my
You sure look good tonight
My, my, my, my, my, my
You sure look good tonight
My, my, my, my, my, my
You sure look good tonight
My, my, my, my, my, my
