Cosmopolitan

Joe Jackson

I'm okay, you're okay
Why remember when it wasn't this way
See my home, see my car
And the beach always used to seem so farAnd no one touches me
Unless it's the way I want it to be
I know, I read the right magazines
I'm cosmopolitan and I don't look backI'm alright, sleep at night
Used to lie awake listening to cat's fight
See my hair, see my shoes
And I used to be scared of the dark tooAnd no one touches me
Unless it's the way I want it to be
I know, I read the right magazines
I'm cosmopolitan and I don't look backCosmopolitanAnd no one touches me
Unless it's the way I want it to be
I know, I read the right magazines
I'm cosmopolitan and I don't look back
