

# Cosmopolitan

**Joe Jackson**

I'm okay, you're okay  
Why remember when it wasn't this way  
See my home, see my car  
And the beach always used to seem so far And no one touches me  
Unless it's the way I want it to be  
I know, I read the right magazines  
I'm cosmopolitan and I don't look back I'm alright, sleep at night  
Used to lie awake listening to cat's fight  
See my hair, see my shoes  
And I used to be scared of the dark too And no one touches me  
Unless it's the way I want it to be  
I know, I read the right magazines  
I'm cosmopolitan and I don't look back Cosmopolitan And no one touches me  
Unless it's the way I want it to be  
I know, I read the right magazines  
I'm cosmopolitan and I don't look back
