Night Moves

Bob Seger

I was a little too tall, could've used a few pounds

Tight pants points hardly reknown

She was a black-haired beauty with big dark eyes

And points all her own sitting way up high

Way up firm and highOut past the cornfields where the woods got heavy

Out in the back seat of my '60 Chevy

Workin' on mysteries without any clues

Workin' on our night moves

Trying' to make some front page drive-in news

Workin' on our night moves

In the summertime

In the sweet summertimeWe weren't in love, oh no, far from it We weren't searching for some pie in the sky summit

We were just young and restless and bored

Living by the sword

And we'd steal away every chance we could

To the backroom, the alley, the trusty woods

I used her she used me, but neither one cared

We were getting our shareWorkin' on our night moves

Trying to lose the awkward teenage blues

Workin' on out night moves

And it was summertime

Sweet summertime, summertimeAnd oh, the wonder

Felt the lightning

Yeah, and we waited on the thunder

Waited on the thunderI woke last night to the sound of thunder

How far-off, I sat and wondered

Started humming a song from 1962

Ain't it funny how the night moves?

When you just don't seem to have as much to lose

Strange how the night moves

With autumn closing inHmm, night moves

(Night moves) night moves

(Night moves) yeah

(Night moves) night moves

(Night moves) I remember the night moves

(Night moves) ain't it funny how you remember?

(Night moves) funny how you remember

(Night moves) I remember, I remember, I remember

(Night moves) oh
(Night moves) move away
(Night moves) we're gonna practice, love
(Night moves) night moves
(Night moves) oh, I remember
(Night moves) yeah, yeah, I remember
(Night moves) oh, I remember
(Night moves) god, I remember
(Night moves) lord, I rememberOh, woman, oh, yeah, yeah, uh-huh, I remember, I remember
