

Sleepy Bug

Splash'N Boots

Love kisses and hugs goodnight my sleepy bug
Its time to say goodnight and i love you(2x)

Say goodnight to the sun
As it goes down to bed
Brush our teeth
Pick out a story
Lay down your sleepy head

Love kisses and hugs goodnight my sleepy bug
Its time to say goodnight and i love you(2x)

Such a happy day
We had so much fun
Now its time to fall asleep
Soon we'll see the sun

Love kisses and hugs goodnight my sleepy bug
Its time to say goodnight and i love you(2x)

Its time to say goodnight and i love you(2x)
