[Chorus]

Crop circles in the moonlight mean us boys have been around  
Show the girls a little good time spinnin tires in the soft ground  
Crop circles round a camp fire we gonna smolder a little grass

[Chorus]

Crop circles in the moonlight mean us boys have been around

[Solo]

[Refrain]

Yeah girls we gonna beam you up, beam you up

Take you in our trucks

Weâ€™re gonna beam you up, beam you up,
