

# Tasteful Agony

## Malevolent Creation

Fresh blood for the guilty  
Looking for a cure  
No willpower restrained  
Lust for the blood  
Only for the wicked  
Tasteful agony  
Need the blood to survive  
My law, to draw Bloodthirst Hunger for a victim  
Succed, must feed  
Craving fulfilled  
Tasteful agony Drain all the blood  
No pain for innocence  
Death for the greedy  
Diminished red of the guilty Blood Tasteful agony Hunger...  
...must feed Tasteful agony Fresh blood...  
...My law, to draw Bloodthirst
