

Radioland

Ashley McBryde

[Verse 1]

We had one country station, you could drive and listen on the way to Water Town
Mama kept Police playin' in the kitchen turned up just a little too loud
Daddy was a rockstar ridin' on a tractor, listenin' to Townes Van Zandt
I was 5 years old with a hairbrush microphone, growin' up in Radioland[Chorus]

Whoa, Radioland

Just the other side of a dashboard light

There ain't a dream you can't dial in

Radioland

Radioland

Radioland

(Yeah!)

[Verse 2]

Catch a Friday night game or a Sunday sermon in the cab of a Chevrolet
Casey Kasem in an old Panasonic countin' down my Saturday
Mixtape Valentine, love cuts like a knife I wanna hold your hand
I got my first kiss, I got my first bass all thanks to Radioland[Chorus]

Whoa, Radioland

Just the other side of a dashboard light

There ain't a dream you can't dial in

Radioland

Radioland

Radioland[Bridge]

Buy a guitar, learn a couple songs

Find some buddies and start a band

Get on a bus, try your luck out here in Radioland

[Outro]

Radioland, Radioland

Radioland, Radio - Johnny and June

Radioland, Radioland

Radioland, Radio - Jack and Diane

Radioland, Radioland

Radio, radio

There ain't a dream you can't dial in out here in Radioland

Radio, Radioland

Radio
