Get Back
Never gonna corner me
Fuck that
So tired of everybody
You Got that
Never gonna give an inch
Your opinion is absolultly shit
Mother told me
Never forget
Where you started from
Through these years
I lost my way and
Time has made me melt
Get Back
Never gonna corner me
Fuck that
So tired of everybody
You Got that
Never gonna give an inch
You and me is absolultly shit
Hey As long as you are saved
As long as you can hide
I'll never be the same
And thats fine
Cause I never gave enough to anyone
Never gave enough no to anything
Never gave enough not to anyone
Never gave a fuck
Get Back
Never gonna corner me
Fuck tact
So tired of everybody

You Got that
Not gonna give an inch
You to me is absolultly shit
Mother told me
Never forget
Where you started from
Through these years
I lost my way and
Time has made me melt
Get Back
Never gonna corner me
Fuck that
So sick of everybody
Got that
Never gonna give an inch
Cause your opinion is absolultly shit
Hey as long as you are saved
And long as you can hide
I'll never be the same
And thats fine
Cause I never gave enough to anyone
Never gave enough not to anyone
GET BACK
GET BACK
GET BACK
GET BACK
