

# War Of The Worlds

## Get Cape. Wear Cape. Fly

If this is the war of the worlds,  
Then I don't want to be a part.  
If this is the war of the worlds,  
Then I don't want to be a part. Too busy, too busy, too busy  
To talk, you said I wouldn't know.  
Too busy, too busy, too busy  
To understand its time to go.  
And so the next time that you need me don't expect a call. And this is the weight of the worlds,  
I think it's time for us to part.  
And this is the weight of the worlds,  
I think it's time for us to part. Too busy, too busy, too busy  
To talk, you said I wouldn't know.  
Too busy, too busy, too busy  
To understand it's time to go.  
And so the next time that you need me don't expect a call.
