

Parallel Universe (Off The Map)

Red Hot Chili Peppers

Deep inside of a parallel universe
It's getting harder and harder
To tell what came first Under water where thoughts can breathe Easily
Far away you were made in a sea
Just like me Christ I'm a sidewinder
I'm a California king
I swear it's everywhere
It's everything Staring straight up into the sky
Oh my my a solar system that fits
In your eye Microcosm You could die but your never dead spider web
Take a look at the stars in
Your head fields of space kid Christ I'm a sidewinder
I'm a California King
I swear it's everywhere
It's everything Christ I'm a sidewinder
I'm a California King
I swear it's everywhere
It's everything Psychic changes are born in your heart entertain
A nervous breakthrough that makes us the same
Bless your heart girl Kill the pressure it's raining on
Salty cheeks
When you hear the beloved song
I am with you Christ I'm a sidewinder
I'm a California King
I swear it's everywhere
It's everything Christ I'm a sidewinder
I'm a California King
I swear it's everywhere
It's everything
