Shimmer

Throwing Muses

You in the water
Underneath the tarp
It don't rain under the water
It don't rain inside my heartDon't follow me home
Don't follow me homeYou walking in the Gulf Stream
Tail between your legs
It's not funny if you ask me
It's just funny in your headHang on, hang on, hang on
Hang on, hang on, hang onMy tongue is filled with sugar
And my back is filled with pain
Your tongue is on my shoulder
And there's nothing on my brainDon't follow me home
Don't follow me homeShake barrels of whiskey down my throat
I'll still see straight
Ride out on a pony even loose
I won't be lateHang on, hang on, hang on
Hang on, hang on, hang onI'll ride on a pony till I'm dusty and I'm old
My head is filled with flowers
And I'm dressed in shiny gold
I'm dressed in shiny goldKeep an eye on me
I shimmer on horizons
Keep an eye on me
I shimmer on horizonsI shimmer on horizons
A shimmer on horizons
I shimmer on horizons
I shimmer on horizonsI shimmer in your eyes
A shimmer in your eye
I shimmer in your eyes
