

Onomatopoeia

Todd Rundgren

Onomatopoeia, every time I see ya
My senses tell me hubba, and I just can't disagree
I get a feeling in my heart that I can't describe
It's sort of lub, dub, lub, dubA sound in my head that I can't describe
It's sort of zoom, zip, hiccup, drip
Ding, dong, crunch, crack, bark, meow, whinnie, quack, yeahOnomatopoeia in proximity ya
Rearrange my brain in a strange cacophony
I get a feeling somewhere that I can't describe
It's sort of uh, uh, uh, uhA sound in my head that I can't describe
It's sort of whack, whir, wheeze, whine
Sputter, splat, squirt, scrape, clink, clank, clunk, clatter
Crash, bang, beep, buzz, ring, rip, roar, retch
