## Rise Against

It kills me not to know this, but I've all but just forgotten  
What the color of her eyes were, and her scars or how she got them  
As the telling signs of age rain down, a single tear is dropping  
Through the valleys of an aging face, that this world has forgotten  
There is no reconciliation that will put me in my place  
And there is no time like the present, to drink these draining seconds  
But seldom do these words ring true, when I'm constantly failing you  
Like walls that we just can't break through, until we disappear[Chorus]

So tell me now

If this ain't love then how do we get out?

Because I don't know

That's when she said I don't hate you boy

I just want to save you while there's still something left to save

That's when I told her I love you girl

But I'm not the answer for the questions that you still have, whoa, whoa And the day pressed on like crushing  
weights

For no man does it ever wait

Like memories of dying days

That deafen us like hurricanes

Bathed in flames we held the brand

Uncurled the fingers in your hand

Pressed into the flesh like sand

Now do you understand?[Chorus] One thousand miles away

There's nothing left to say

But so much left that I don't know

We never had a choice

This world is too much noise

It takes me under

It takes me under once again I don't hate you

I don't hate you no[Chorus] I don't hate you

I don't hate you, whoa, whoa

I don't hate you

I don't hate you, no, whoa, whoa
