

Break Some Off

Korn

I am living without you
You think everything will be fine
I find making it hard to lie
Realize nothing is left inside I'm about to break some fuckin' off
Thunder in my mind
I'm about to break some fuckin' off
I feel I'm feelin' fine
I'm about to break some fuckin' off
No, it won't be fine
I'm about to break some fuckin' off My lies is goin' to hurt you
My face not going to wait this time
I play games just to despise you
I know you're gonna believe this time I'm about to break some fuckin' off
Going to lose my mind
I'm about to break some fuckin' off
I feel I'm feelin' fine
I'm about to break some fuckin' off
No, it won't be fine
I'm about to break some fuckin' off Feel me as I'm laughing
Leaving, eating, fucking
Hating all this bullshit, raping
I can't stand this
Fuck, fuck, fuck, fuck
Fuck, fuck, fuck, fuck
I can't stand this fuck I'm about to break some fuckin' off
Goin' to lose my mind
I'm about to break some fuckin' off
I feel I'm feelin' fine
I'm about to break some fuckin' off
No, it won't be fine
I'm about to break some fuckin' off Off
Off
Off
Off
