Stranger Things

Local Natives

Cold toes, new sheets Welcomed all the same

We know if we go

It's only temporaryWent away, holiday

Wish they'd linger on

They'll think what they will

We'll stay where we have goneThe glaring lamp's on

Her job is well done

Half asleep

I'm only half wonOld sheets, warm toes

Look away as I leave

New light lays bare

Holds my guilt up to meI'll toast three cheers

And for work we'll sing

Back to what we do

I've heard stranger thingsSo turn the lamp off

My wandering eyes stop

Endure the thoughts of

And start where you loveWe'll start from where

We last left off

The lines that we'll draw

Begin and don't stopThe corners approach

We'll take the best turns

The bends have brought talk

Of what we have learnedEnjoy the chance of

Frozen new grounds

Everything's odd

With beautiful soundsI've learned to smile

Without a bearing

At least I know I've

Heard stranger things
