Open Road

Bryan Adams

I'm sitting at the wheel
I got a green light
I'm not afraid of nothin'
'Cause heart and soul
I'm built for life
So let the engine roar
Push the pedal down
I want the white lines on the highway
To lead me out of town
I'm rolling on and on and on
Who knows where I'm goin'?
Life is an open road, it's the best story never told
It's an endless sky, it's the deepest sea
Life is an open road to me
Life is an open road to me
I got headlights
To guide me through the night
I got the window down
And the radio playing
It makes me feel alive
I'm rolling on and on and on
Who knows where I'm goin'?
Life is an open road, it's the best story never told
It's an endless sky, it's the deepest sea
Life is an open road to me
Life is an open road to me
Yeah, life's an open road
Life is an open road, it's the best story never told
It's an endless sky, it's the deepest sea
Life is an open road to me
Life is an open road to me
Yeah, life's and open road
Oh, yeah
Yeah and I'm built for life
Life is an open road to me
