Come on, I need a bad bitch  
Come on if you a bad bitch  
See, I want a bad bitch  
The girl be cooking and cleaning and cleaning and cooking  
She be constantly douching and cleaning her pussy  
And when she step on the scene everybody be looking  
And to get in them jeans everybody be wishing  
But she only want players who far from rookie  
And if you ain't got the cake, can't play with the nookie  
Her titties sitting pretty and she soft as a cushion  
If you try to holla she might holla she taken  
And she walk like a bad bitch, talk like a bad bitch  
And go and get her hair and shit fixed is a habit  
Now bad bitch go and buy Finch more than average  
And bad bitches get to take trips with the savage  
Can never tell a bad bitch a freak she too classy  
But shit I can tell from her lips that she nasty  
Expensive ass pant-ses grip to them asses

Caress the bad bitch now the girl gon' wild

Then freak it up and beat it up and that's my style

You get a lot of head when your bread in piles  
'Cuz I'm on right now and I'm saying that loud  
A trifling ass bitch make the big dog growl  
A bad ass bitch make the big dog proud  
Which one is the baddest, that's the one I'm having  
The one with no kids or just one baby daddy  
And she ain't hard-headed, can listen and respect it  
And you ain't a bad bitch if you got bad credit  
A thong and press-ons and know how to cook neckbones  
I want the MVP with that throwback dress on  
Don't like to get dirty and don't mind working  
And she don't mind giving me some mouth and lip service
