

# I've Got You Under My Skin

Gloria Gaynor

I've got you baby  
I've got you baby I've got you under my skin  
I've got you deep in the heart of me  
So deep in my heart, you're really a part of me  
I've got you under my skin I've tried so not to give in  
I've said to myself this affair never will go so well  
But why should I try to resist, when darling I know so well  
I've got you under my skin I'd sacrifice anything come what might  
For the sake of having you near  
In spite of a warning voice that comes in the night  
And repeats and repeats in my ear Don't you know you fool, you never can win  
Use your mentality, wake up to reality  
But each time that I do, just the thought of you  
Makes me stop before I begin  
'Cause I've got you under my skin I'd sacrifice anything come what might  
For the sake of having you near  
In spite of a warning voice that comes in the night  
And repeats and repeats in my ear Don't you know you fool, you never can win  
Use your mentality, wake up to reality  
But each time that I do, just the thought of you  
Makes me stop before I begin  
'Cause I've got you under my skin I've got you under my skin  
I've got you deep in the heart of me  
So deep in my heart, you're really a part of me  
I've got you under my skin I've got you under my skin  
I've got you deep in the heart of me  
So deep in my heart, you're really a part of me  
I've got you under my skin I've got you  
I've got you  
I've got you Under my skin  
So deep in the heart of me  
So deep in my heart, you're really a part of me  
I've got you under my skin I've got you under my skin  
I've got you deep in the heart of me  
So deep in my heart, you're really a part of me  
I've got you under my skin I've got you  
I've got you  
I've got you
