# Slow Dancing

## Ben Nichols

It's late at night and we're all alone
With just the music of the radio
No one's comin', no one's gonna telephone
Just me and him and the lights down low
And we're slow dancing, swaying to the music
Slow dancing, just me and my guy
Slow dancing, swaying to the music
No one else in the whole wide world
In the whole wide world
And we just float together when the lights are low
And the shadows dancing across the wall
The music's playing so soft and low
And the rest of the world's so far away and small
Slow dancing, swaying to the music
Slow dancing, just me and my guy
Slow dancing, swaying to the music
No one else in the whole wide world
In the whole wide world
Hold me, please hold me
Don't ever let me go
And as we dance together in the dark
There's so much love in this heart of mine
He whispers to me and I hold him tight
He's the one I thought I'd never find
Slow dancing, swaying to the music
Slow dancing, just me and my guy
Slow dancing, swaying to the music
No one else in the whole wide world
In the whole wide world
