

Love Like Woe (Acoustic)

The Ready Set

(J-J-J-JR)

Whoa-oh, oh-oh, oh-oh, oh-oh

Whoa-oh, oh-oh, oh-oh, oh-oh

(I kinda feel like it don't make sense) I'm thinking, baby, you and I are undeniable

But I'm finding our loves unreliable

I'm giving all I got to make you stay

Or am I just a roadblock in your way? 'Cause you're a pretty little windstorm out on the boulevard

Something like a Sunset, oh you're a shooting star

And I might drive myself insane

If those lips aren't speaking my name 'Cause I got some intuition,

Or maybe I'm superstitious

But I think you're a pretty sweet pill that I'm swallowing down

To counter this addiction, you've got me on a mission

Tell me darling, can I get a break somehow?

(How) could I say no? She's got a love like woe

Whoa-oh, oh-oh, oh-oh,

Girls got a love like woe (la-da-da)

I kinda feel like it don't make sense

Because you're bringing me in and now you're kicking me out again

Love so strong, then you moved on

Now I'm hung up in suspense,

Because you're bringing me in and then you're kicking me out again It's like a hurricane, speed train, she's a moving car

Catch her in the fast lane, oh I gotta know,

Can I keep up with her pace?

Kick it into gear when I see that face You can take up all my time cause you're the only one

That can make a storm cloud break, pulling out the sun

And I can't get caught in the rain

Can I get your lips to speak my name? 'Cause I got some intuition,

Or maybe I'm superstitious

But I think you're a pretty sweet pill that I'm swallowing down

To counter this addiction, you've got me on a mission

Tell me darling, can I get a break somehow?

(How) could I say no? She's got a love like woe

Whoa-oh, oh-oh, oh-oh,

Girls got a love like woe (la-da-da)

I kinda feel like it don't make sense

Because you're bringing me in and now you're kicking me out again

Love so strong, then you moved on

Now I'm hung up in suspense,
Because you're bringing me in and then you're kicking me out again 'Cause we only have one life
The timing and the moment,
All seem so right
So would you say you're mine? (We'll be just fine)
Would you say you're mine? (We'll be just fine) She's got a love like woe
Whoa-oh, oh-oh, oh-oh,
Girls got a love like woe (la-da-da)
I kinda feel like it don't make sense
Because you're bringing me in and now you're kicking me out again
Love so strong, then you moved on
Now I'm hung up in suspense,
Because you're bringing me in and then you're kicking me out again She's got a love like woe
Whoa-oh, oh-oh, oh-oh,
Girls got a love like woe (la-da-da)
I kinda feel like it don't make sense
Because you're bringing me in and now you're kicking me out again
Love so strong, then you moved on
Now I'm hung up in suspense,
Because you're bringing me in and then you're kicking me out again
