

# Another Life

## D'Angelo and The Vanguard

How does one attempt to be  
The kind of friend that you would want to keep?  
I just want to say to thee  
Even though it might be hard to believe  
The candy-coated thoughts that drift through my sleep  
Lets me know it's you that holds the key  
I got a craving for confection so sweet  
For the taste of when our lips first meet

Oh, in another life, I bet you wouldn't know that  
Oh, in another life, I bet you were my girl

I just wanna take you with me  
To secret rooms in the mansions of my mind  
Shower you with all that you need  
Take my hand, I swear I'll take my time  
I'm not surprised to find that angels compete  
For the chance to lay down at your feet  
I'm gonna touch in all of the places that please  
Pull you close  
I wanna feel you breathe

Oh, in another life, I bet you wouldn't know that  
Oh, in another life, I bet you were my girl

It's another reason for the season  
I don't wanna break your heart  
Oh, in another life, I bet you were my girl, Oh!

---
