Don't Break Me Down

Saint Rich

Because you're so amusing
I think I'm losing my mind
You think you're so amazing
You seem to ...?
Maybe you're just drunk and crazy
Any time I take a breath and try to say
You just get up in my face, but not today
How about enough of the shit that I can take
I've got one request
Don't break me down
Don't break me down
Can't break me down
Everyday you've got to lift up your head (lift up your head)
Everyday you've got to lift up your head and breathe
Because it irritated me
A minute feels like an hour
Is it the code (?) of the smoke

That makes you look like such a joke
Every time I take a breath and try to say
You just get up in my face, but not today
I'm tryin' my best
Don't break me down
Don't break me down
Can't break me down
Everyday you've got to lift up your head (lift up your head)
Everyday you've got to lift up your head and breathe
Everyday you've got to open your eyes (open your eyes)
You've got to realize that you're still alive
Alive
Don't break me down
Don't break me down
Don't break me down
Don't break me down
